

Meclin Chemicals

<http://meclinchemicals.in/>

We are leading Manufacturer and exporter of P Toluene Sulphonic Acid, PTSA Monohydrate, Para Toluene Sulphonic Acid and Para Toluene Sulphonic Acid (Liquid).

About Us

Meclin Chemicals was established in the year 2007. We are leading Manufacturer and exporter of P Toluene Sulphonic Acid, PTSA Monohydrate, Para Toluene Sulphonic Acid and Para Toluene Sulphonic Acid (Liquid). We began our trade operation with an aspiration to be the leader in this line of business. We have been supplying high quality chemicals that are used in pharmaceutical products and dyes.

These have been selected by us on the basis of their market credibility, quality of the products, financial status, pricing policy and product delivery timings. Our quality assurance team ensures that only the best-grade chemicals are procured by us. They check all the products in terms of their effectiveness, long shelf life and reliability.
